“IT SHOULD NOT COST MONEY TO PLAY THE SPORT YOU LOVE”

The Futsal Society, founded by former SWHS JV Coach Caleb Crossley, provides free soccer programming to approximately 300 high school kids year round.

You can support their mission by donating new or gently used soccer equipment items, which will be delivered to the Futsal Society for redistribution.

HELP US KICK IT BACK SO OTHER KIDS CAN GET IN THE GAME

Drop off your gently used soccer gear at The Sanneh Foundation tent by concessions!

The Kick It Back program started as an effort by Tony Sanneh and MLS to collect soccer shoes and redistribute them to individuals in need. Since its inception in 2009, the program has expanded as an initiative of The Sanneh Foundation. The program now receives jerseys, shoes, balls and other new and gently used sports equipment, allowing Kick It Back beneficiaries to safely participate in sports. Equipment is distributed within local communities, nationally and internationally.
